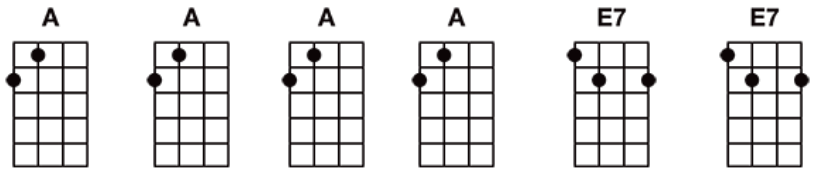
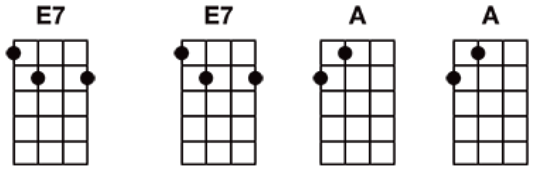
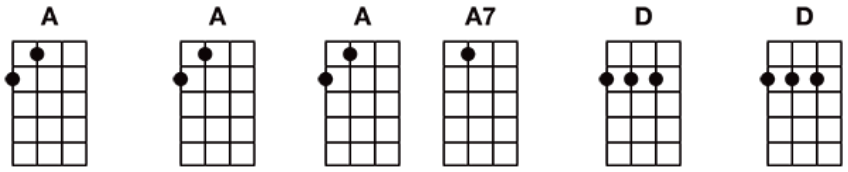
Composer: Gilberto Parra | **Genre:** Latin



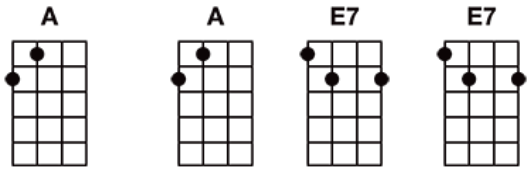
Por un amor, me desvelo y vivo apasionada; tengo un amor (For a love, I can't sleep and I live passionately, I have a love)
Por un amor, he llorado gotitas de sangre del corazon. (For a love, I have cried tears of blood from my heart)



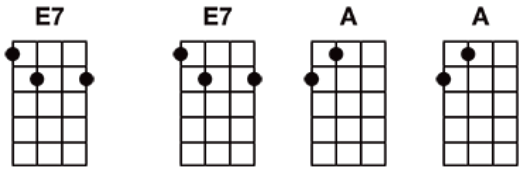
Que en mi vida dejo para siempre, amargo dolor. (That left in my life, forever, a bitter pain)
Me has dejado con el alma herida, sin compasion (You have left me with a wounded soul, without compassion)



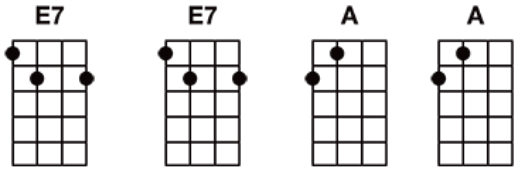
Pobre de mí. Esta vida mejor que se acabe, no es para mí. (Poor me. This life would be better ended. It is not for me)



Pobre de mí (ay corazon); Pobre de mí (no sufras más) [Poor me (Ah, my heart); Poor me (suffer no more)]



Cuánto sufre mi pecho, que late tan solo por ti. (How much my suffering in my breast, that beats only for you.)



LAST TIME ONLY:
Cuánto sufre mi pecho, que late tan solo por ti. (How much my suffering in my breast, that beats only for you.)
