(Intro)

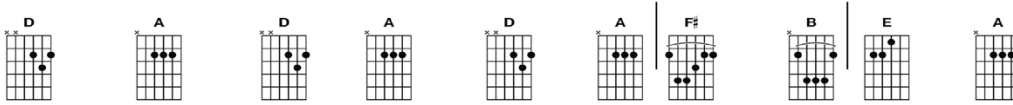

Well, now, I'm southbound to St. Vincent's. Gotta get myself a brand-new shirt. Oh, yeah, I'm southbound to St. Vincent's. I gotta clean up all this dirt

(Instrumental)

When I get to St. Vincent's, I'm gonna put that new shirt on. And then I know that my sweet gal o' mine Is gonna say I'm fine, so fine

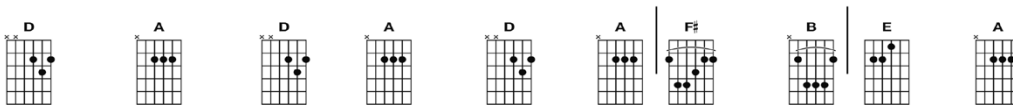

(Instrumental)

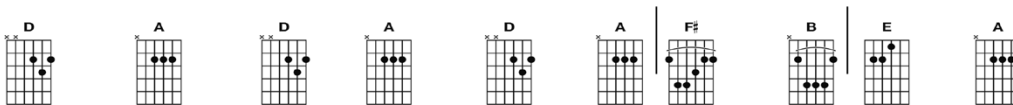

I know what everybody knows: Every girl is crazy 'bout a sharp-dressed man

But ZZ Top never saw such a shine, 'cause I'm a diamond in the rough and you're a diamond miner

That's why I'm southbound to St. Vincent's. Gotta get myself a brand-new shirt. Oh, yeah, I'm south bound to St. Vincent's. I gotta clean up all this dirt

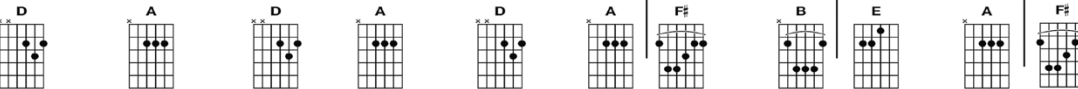

(Instrumental)

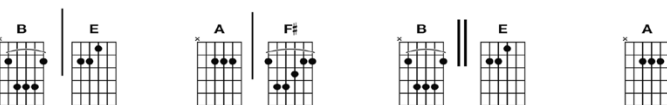

I know what everybody knows: Every girl is crazy 'bout a sharp-dressed man

But ZZ Top never saw such a shine, 'cause I'm a diamond in the rough and you're a diamond miner

That's why I'm southbound to St. Vincent's. Gotta get myself a brand-new shirt. O'yeah, I'm south bound to St. Vincent's. I gotta clean up all this dirt, Oh,Yeah

I gotta clean up all this dirt!
