(intro)

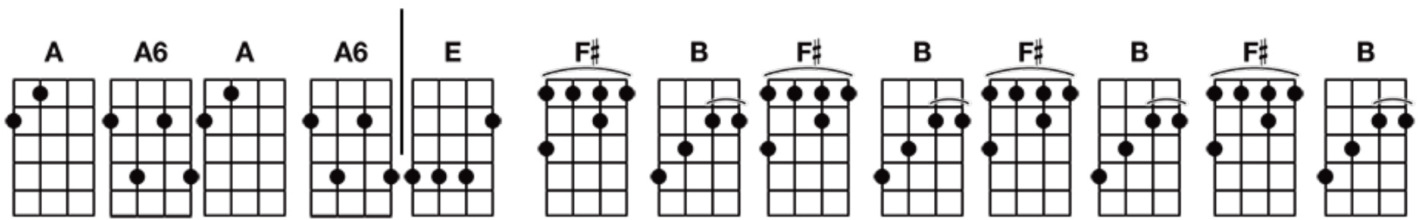

We've only just begun to live, white lace and promises. A kiss for luck, and we're on our way

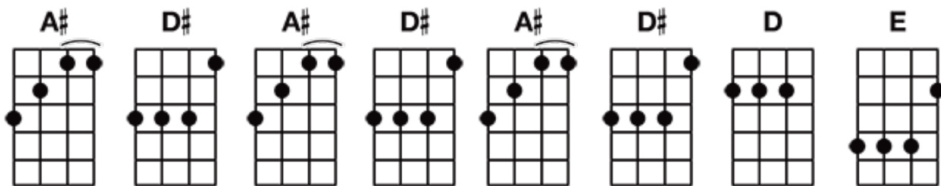

We've only begun, before the risin' sun, we fly. So many roads to choose.

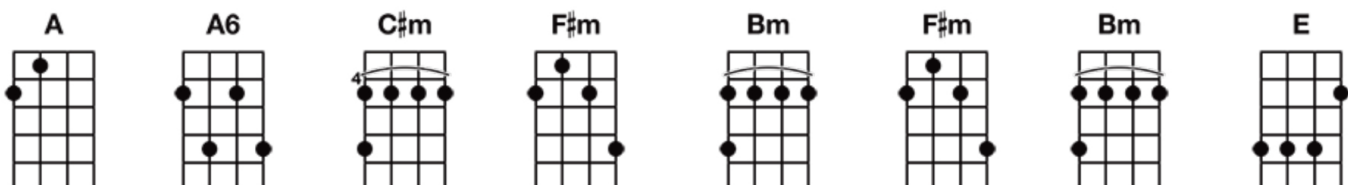

We'll start out walking and learn to run. And yes, we've just begun

Sharing horizons that are new to us. Watching the signs along the way.

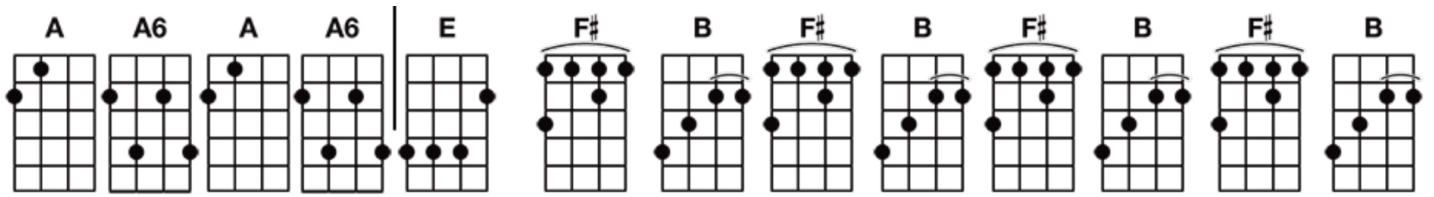

Talkin' it over, just the two of us. Workin' together day to day, Together ...

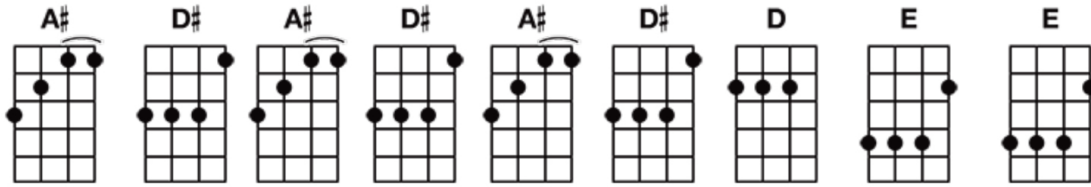

And when the evening comes, we smile. So much of life ahead.

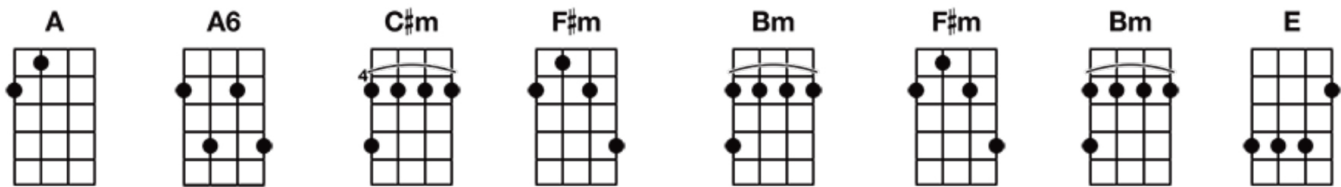

We'll find a place where there's room to grow,

Yes, we've just begun. Sharing horizons that are new to us. Watching the signs along the way.

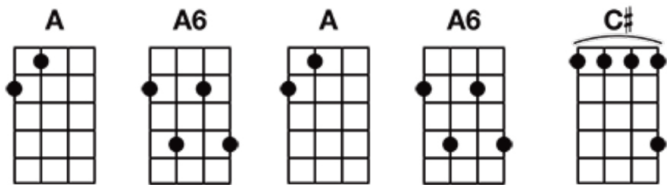

Talkin' it over, just the two of us. Workin' together day to day, Together ...

And when the evening comes, we smile. So much of life ahead.

We'll find a place where there's room to grow,

And yes, we've just begun.
