

(Intro)

I got this feeling - How do you know you're in love? I like this feeling - I think I know where it came from

Today I'm feeling lucky- I think I'll take a chance. 'Cause when you're feeling lucky - You just might find romance

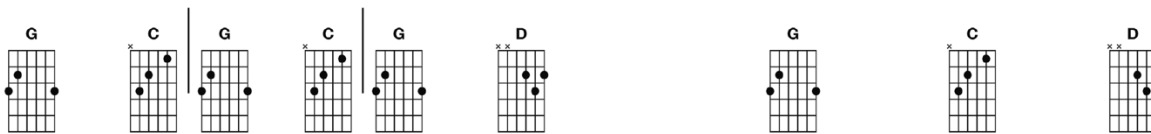

I got this feeling - Like I got aces up my sleeve I like this feeling - Now I'm the King of Hearts. That's me!

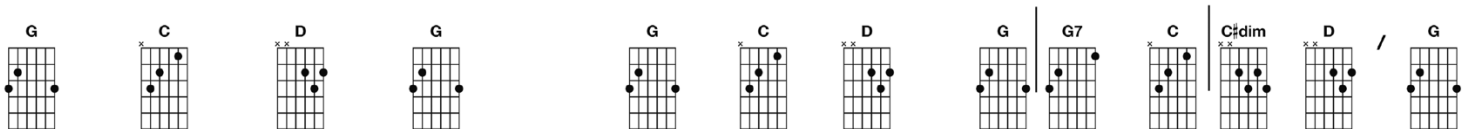

Today I'm feeling lucky- I think I'll take a chance. 'Cause when you're feeling lucky - You just might find romance
