

# "Dance The Night Away"

## Chords: C and G

*(You can play a G7 instead of G, especially on the chorus)*

Here comes my happiness again, right back to where it should have been  
'Cause now she's gone and I am free, and she can't do a thing to me

**I just wanna dance the night away  
With señoritas who can sway  
Right now, tomorrow's lookin' bright  
Just like the sunny mornin' light**

And if you - should see her - please let her know  
that I'm well, as you can tell  
And if she - should tell you - that she wants me back  
Tell her no, I gotta go

**I just wanna dance the night away  
With señoritas who can sway  
Right now tomorrow's lookin' bright  
Just like the sunny mornin' light**

*(verse of instrumentals and dancing!!!)*

And if you - should see her - please let her know  
that I'm well, as you can tell  
And if she, should tell you, that she wants me back  
Tell her no, I gotta go

**I just wanna dance the night away  
With señoritas who can sway  
Right now tomorrow's lookin' bright  
Just like the sunny mornin' light**

*Repeat chorus until we break the World Record!  
You can print one of these charts at Bartt.net*
