Woke up this morning with light in my eyes. And then realized it was still dark outside

It was a light coming down from the sky, I don't know who or why

Must be those strangers that come every night, Those saucer-shaped lights put people uptight

Leave blue-green footprints that glow in the dark. I hope they get home all right

Hey, Mr. Spaceman, won't you please take me along? I won't do anything wrong

Hey, Mr. Spaceman, won't you please take me along for a ride?

Woke up this morning, I was feeling quite weird.

Had flies in my beard, my toothpaste was smeared.

Over my window, they'd written my name. Said, "So long, we'll see you again."

Hey, Mr. Spaceman, won't you please take me along? I won't do anything wrong

Hey, Mr. Spaceman, won't you please take me along for a ride?

(instrumental verse)
