I found myself dreaming, in silver and gold, like a scene from a movie, that every broken heart knows

We were walking on moonlight, and you pulled me close, split-second and you disappeared, and then I was all alone

I woke up in tears, with you by my side, a breath of relief, and I realized, No, we're not promised tomorrow

So I'm gonna love you, like I'm gonna lose you. I'm gonna hold you, like I'm saying goodbye

Wherever we're standing, I won't take you for granted, 'cause we'll never know when, when we'll run out of time

So I'm gonna love you, like I'm gonna lose you. I'm gonna love you, like I'm gonna lose you

In the blink of an eye, just a whisper of smoke, you could lose everything, the truth is, you never know

So I'll kiss you longer baby, any chance that I get, I'll make the most of the minutes, and love with no regrets

Let's take our time, to say what we want; use what we got, before it's all gone, 'cause no, we're not promised tomorrow

So I'm gonna love you, like I'm gonna lose you. I'm gonna hold you, like I'm saying goodbye

Wherever we're standing, I won't take you for granted, 'cause we'll never know when, when we'll run out of time

I'm gonna love you, like I'm gonna lose you. I'm gonna love you, like I'm gonna loo-oose you
