(intro)

You fix your make up, just so. Guess you don't know, that you're beautiful

Try on every dress that you own. You were fine in my eyes, a half-hour ago

If your mirror won't, make it any clearer, I'll, be the one to let you know

Out of all the girls, you're my one and only girl. Ain't nobody in the world tonight

All of the stars, you make them shine like they were ours. Ain't nobody in the world but you,

and I. You, and I. Ain't nobody in the world but you

You stop the room when we walk in. Spotlight's on, everybody staring

Tell all of these boys, they're wasting their time. Stop standing in line, 'cause you're all mine

And this evening I, won't let the feeling die. I never want to leave your side

Out of all the girls, you're my one and only girl. Ain't nobody in the world tonight

All of the stars, you make them shine like they were ours. Ain't nobody in the world but you,

and I. You and I. Ain't nobody in the world

You keep wondering if you're what I'm wanting. You don't even have to try

You don't have to try. Don't try, don't try. You don't have to try

Out of all the girls, you're my one and only girl. Ain't nobody in the world tonight

All of the stars, they don't shine brighter than you are. Ain't nobody in the world but you, and I

You, and I. You, and I. Nobody in the world tonight. Ain't nobody in the world but you, and I
